## Shepherd's Corner

Dear Parishioners,

In 1967 Pierre Elliot Trudeau pushed Canada to legalize contraception, homosexual acts, and abortion. The evils he unleashed were couched under the guise of freedom: “The government has no business in the bedrooms of the nation.” This freedom—however intoxicating—wasn’t freedom, but licence. Licence is “freedom from” a law. True freedom is a “freedom for” the good. When we jettison a good law, to unburden ourselves, we get crushed by arbitrary laws which replaced it.

The shift is ironic. Pierre Elliot said, “what's done in private between adults doesn't concern the Criminal Code.” Under Justin Trudeau, Pierre’s reputed son, how many people at your birthday party is now the government’s business. If you don’t understand that, a swat team will be kicking down a door near you. Welcome to the People’s Republic of Cuba China Canada.

Christianity is now illegal in Canada. Did you notice? If anyone, friend, professional or parent, counsels a young person out of gender dysphoria, they are committing a crime in Canada. If parents take a child out of the country for help, they too commit a crime in Canada. Biblical morality has now been criminalized.

The Freedom Convoy 2022 is amazing. I support it. May God bless their efforts in fighting against domestic and global tyranny. If you watch the CBC, you’ll be fed some details but miss the entire story. What the CBC won’t tell you is that religious freedom, free speech, freedom of the press, and personal privacy are endangered species. Justin Trudeau has further sold our nation’s sovereignty to the global elite at the WEF. His contempt for the average Canadian matches theirs. Pierre’s revolution was the beginning of Justin’s.

**Synod.** The Holy Father has called for a Synod on Synodality. He is saying publicly that he wants to hear from all of us. Think about what you’d like to say to him. We will have a “listening session” or two in the near future. More information to follow.

Thank you to all who are praying our preparatory novena for the Consecration to the Immaculate Heart of Mary on 11 February. If you haven’t started, late is MUCH better than never.

Thank you for your material and spiritual support of the parish.  
May God reward you.
